**Elliott Davis Technology Solutions, LLC (EDTS) Professional Earns Certification
Kevin Hendrick Earns Citrix Certified Administrator (CCA) Certification**

AUGUSTA, Ga. Oct. 2, 2008 – Elliott Davis Technology Solutions, LLC (EDTS), a full-service technology consulting firm, announced Network Engineer Kevin Hendrick recently received the Citrix Certified Administrator (CCA) certification.

Hendrick earned the CCA certification by demonstrating product expertise on Citrix Xen Application (Presentation Server 4.5).

Based in EDTS' Augusta office, Hendrick has more than 17 years experience in computer networking and network security. In addition to his recently earned CCA certification, Hendrick holds the following certifications: Microsoft Certified Systems Administrator, CompTIA Network + and CompTIA A+. Hendrick earned a bachelor's degree in business administration from Augusta State University and he completed computer information services courses at Augusta Technical College.

EDTS was founded in 1999 with only two employees and has continually expanded its services and increased its staff. The combined knowledge of EDTS' workforce represents more than 80 years of IT industry experience.
