Elliott Davis Technology Solutions, LLC (EDTS) Adds Professional in Augusta Office

AUGUSTA Ga., Aug. 1, 2008 – Elliott Davis Technology Solutions, LLC (EDTS), a full-service technology consulting firm, announced the addition of Ian C. Ferguson as a Network Technician supporting clients in the CSRA market.

Ferguson brings more than two years of information technology experience to his new role at EDTS, as well as expertise in Microsoft systems. He achieved the Microsoft Certified Systems Administrator (MCSA) certification, and is currently pursuing the Cisco Certified Network Associate (CCNA) certification.

A resident of Augusta, Ga., Ferguson received an associate's degree in industrial technology from Northern Kentucky University.

“EDTS continues to expand to meet the demands of our clients, and we are pleased to have someone with Ian's motivation and service-mindset on the EDTS team,” said EDTS' Managing Shareholder, Charles Johnson.

EDTS began in 1999 with only two employees and has continually expanded its services and increased its staff. The combined knowledge of EDTS' workforce represents more than 80 years of experience in the IT industry.
